## Subject: Application for Undergraduate Major Change 2025-26AY

### Descriptions:

1. The Application is implemented in accordance with the *Regulations on Changing a Major in Bachelor Programs* as detailed in Attachment 1.
2. The Criteria for Undergraduate Major Change in 2025-26AY are detailed in Attachment 2.
3. The Vacancy List for Undergraduate Major Change in 2025-26AY is detailed in Attachment 3.
4. The schedule for application for undergraduate major change in 2025-26AY is as follows:

Dates (2025)	Important Notices
3/10 (M) 08:00   3/14 (F) 17:00	Students applying for a major change can go to e-Campus, click “Major Change” to fill in the related information, and make a printout of the <b>Application for Major Change by Undergraduates form</b> . Attach the <b>related supporting documents</b> and <b>file the transfer application with the intended transfer-in dept. during the specified timeframe. Late submission or incomplete document is considered a non-application.</b>
3/19(W)   3/26(W)	The respective departments proceed with the transfer assessment.
4/23(W)	The Office of Academic Affairs convenes a <b>transfer review meeting</b> and selects the best candidates within the scope of the vacancies of the respective departments.
5/2(F)	The Div. of R&C releases the <b>admission list</b> ; the admitted students will transfer into the department of new major effective the 1 <sup>st</sup> semester of 2025-26AY.

5. When applying for a major change, the student can specify one transfer-in major and year or two transfer-in majors and years specifying the priority in the application form. If the first-ranked major is approved by the review committee, the application of the second-ranked major is deemed invalid. Changing division within the same department is handled in accordance with the regulations on major change.
6. Those with a minimum of 2 semesters (inclusive) of study up to the semester filing the application may apply to transfer to Freshman or Sophomore year; those with four semesters of study may apply to transfer to Junior year.
7. **After admission, transferred students should assume the graduation criteria of the transfer-in year.**
8. After admission, transferred students should check the credit transfer status at the Credit Worksheet system before the 2<sup>nd</sup> round of Drop/Add in the first semester to facilitate course registration. If you have questions, please contact the case officers at the Div. of R&C.
9. Any other issues not addressed here shall be handled in accordance with the *Regulations on Changing a Major in Bachelor Programs*, Criteria for Major Change, and other related regulations.
